Land Use Policy

Index to Volume 7

January, April, July and October 1990

Articles – titles

Agrarian reform and land use policy in Turkey: implications for the Southeast Anatolian irrigation project, *Behrooz Morvaridi*, **7**, 4, 303–313

Agricultural and land use change in central Basilicata: from Carlo Levi to the Comunita Montana, *Russell King* and *John Killingbeck*, **7**, 1, 7–26

Climate change and forest management, policy and land use, *Peter N. Duinker*, **7**, 2, 124–137

Coastal land use and environmental problems in the Mediterranean, *Louis J. Saliba*, **7**, 3, 217–230

Determining land use policy via the ballot box: the growth initiative blitz in California, *Roger Caves*, **7**, 1, 70–79

Developing sustainably: designating agroecological zones, *Michael Redclift*, **7**, 3, 202–216

Farm landscape change: trends in upland and lowland England, *N. Ward, T. Marsden* and *R. Munton*, **7**, 4, 291–302

Forestry and water: 'good practice' and UK catchment policy, *Malcolm Newson*, **7**, 1, 53–58

Gambian usufruct tenure: help or hindrance to agricultural production?, *Clyde Eastman*, **7**, 1, 27–40

The greenhouse effect, *John Bowman*, **7**, 2, 101–108

Greenhouse effect, sea level rise and land use, *James G. Titus*, **7**, 2, 138–153

Informal urban agriculture in Nairobi, Kenya: problem or resource in development and land use planning?, *Cleophas Lado*, **7**, 3, 257–266

Introduction: land use and climatic change, *Martin Parry*, **7**, 2, 99–100

Land use and management in China: problems and strategies, *Cai Yunlong*, **7**, 4, 337–350

Land use policies and biotic conservation: problems and prospects for forestry in Nigeria, *G.J.O. Osemeobo*, **7**, 4, 314–322

Land use related sources of greenhouse gases: present emissions and possible future trends, *A.F. Bouwman*, **7**, 2, 154–164

Local land use regulations in the USA: a study of their impacts on housing cost, *Farhad Atash*, **7**, 3, 231–242

Policies affecting land use in the Brazilian Amazon: impact on the rainforest, *Dennis J. Mahar*, **7**, 1, 59–69

The potential impact on agriculture of the greenhouse effect, *Martin Parry*, **7**, 2, 109–123

Soil erosion and flooding: consequences on land use policy and agricultural practice on the South Downs, East Sussex, UK, *D.A. Robinson* and *J.D. Blackman*, **7**, 1, 41–52

The urban fuel plantation in Tropical Africa: a case for re-evaluation, *R.A. Cline-Cole*, **7**, 4, 323–336

Woodland planning in the Peak District National Park, UK: formulation and implementation of a land use policy, *Stephen J. Essex*, **7**, 3, 243–256

Reports/Viewpoints, etc

Agricultural production *v* climate protection: an emerging conflict in the 1990s?, *Robert C. Harriss*, **7**, 2, 173–175

Airport developments and EIA: Kansai International Airport, Japan, *R.B. Therivel* and *B.F.D. Barrett*, **7**, 1, 80–86

Cereal technology development in the Sahel: Burkina Faso and Niger, *Robert R. Deuson* and *John H. Sanders*, **7**, 3, 195–197

China's land use policy under change, *Liu Weixin* and *Yan Dongson*, **7**, 3, 198–201

Contaminated land: treatment and redevelopment, *Peter G. Horridge*, **7**, 4, 287–290

Development controls on eroding coastlines: reducing the future impact of greenhouse-induced sea level rise, *Robert Kay*, **7**, 2, 169–172

Energy land use implications of the greenhouse effect, *David Green*, **7**, 2, 181–183

Global warming and nature conservation, *Peter Bridgewater* and *S.J. Woodin*, **7**, 2, 165–168

Land use policy and tourism in Northern Ireland, *David Leslie*, **7**, 1, 2–6

Land trends and sustainability in Latin American agriculture, *Carlos Arnade, Jorge Torres-Zorrilla* and *Paige Rausser*, **7**, 4, 351–356

Rural housing in the UK: current policy issues, *Mark Shucksmith*, **7**, 4, 283–286

Tourism and climate change, *K. Smith*, **7**, 2, 176–180

Book reviews

Biological Habitat Reconstruction edited by G.P. Buckley (reviewed by Timothy O'Riordan), **7**, 3, 267

Cities and Transport by the OECD (reviewed by Robert Cevero), **7**, 1, 90–92

English Agriculture: an Historical Perspective by David Grigg (reviewed by Brian W. Ilbery), **7**, 3, 267–268

Environmental Management and Development in Drylands by Peter Beaumont (reviewed by James E. Jonish), **7**, 3, 268–270

The Himalayan Dilemma: Reconciling Development and Conservation by Jack D. Ives and Bruno Messerli (reviewed by Martin Price), **7**, 1, 93–94

Planning Control in Western Europe by H.W.E. Davies, D. Edwards, J.V. Punter and A.J. Hooper (reviewed by Patsy Healey), **7**, 4, 363–364

Planning in Britain and France by S. Loew (reviewed by Roger J.P. Kain), **7**, 3, 270

Rural Land Use Planning in Developed Nations edited by Paul J. Cloke (reviewed by Theodore R. Alter), **7**, 1, 92–93

Wildlands: Their Protection and Management in Economic Development by George Ledec and Robert Goodland (reviewed by Adolfo Mascarenhas) **7**, 4, 361–363

Conference reports

Annual conference of the New Zealand Planning Institute, Hamilton, New Zealand, 24–27 May 1989, *Jennifer Dixon*, **7**, 1, 86–87

Conference on Climate and Water, Helsinki, Finland, 11–15 September 1989, *Esko Kuusisto*, **7**, 2, 185–187

Conference on Coastal Management, Bournemouth, UK, 9–11 May 1989, *John L. Andrews*, **7**, 1, 89–90

Conference on the Greenhouse Effect and UK Agriculture, London, UK, 14 July 1989, *Freda A. Miller*, **7**, 2, 187–188

Conference on Soils and the Greenhouse Effect, Wageningen, the Netherlands, 14–18 August 1989, *A.F. Bouwman*, **7**, 2, 184–185

International Symposium on Planning for Agroforestry, Pullman, WA, USA, 24–27 April 1989, *Linda Howell Hardesty*, **7**, 1, 87–89

National Parks – Fit to Face the Future, London, UK, 13 December 1989, *Roger Bush*, **7**, 4, 357–358

Seminar on Sociopolitical Instruments of Land Use in Urban Regions, Falun, Sweden, 29 June–1 July 1989, *Ulrich Bohner*, **7**, 3, 273–275

Success in Urban Forestry, Stourbridge, West Midlands, UK, 28 September 1989, *Richard W. Coles*, **7**, 3, 275–277

Symposium and workshop on Planning and Management of the Coastal Heritage, Southport, 10–12 October 1989, *Ceri Jones*, **7**, 3, 271–273

Third Annual Growth Management Conference: Containing Urban Sprawl, Ft Lauderdale, FL, USA, 30 March 1990, *Jill Jeglie* and *Patricia Metzger*, **7**, 4, 358–360

Publications

7, 1, 95–96; **7**, 2, 189–190; **7**, 3, 278; **7**, 4, 365–366
